

Erasmus+

HEREs **elaborates** and **offers training** courses for other persons actively involved in promoting reforms in national higher education. They **offer recommendations** and guide HEIs regarding quality assurance, curricula reform, staff qualification, national and European, equalization and international recognition (e.g. ECTS, Diploma Supplement).

Moldovan HEREs are being systematically involved in the policy reform process at the national level, as they hold key-positions in different academic institutions and have significant experience in developing international projects in Higher Education area.

All HEREs events, organized at the national level, involve always the representatives of Ministry of Education, Culture and Research.

HEREs are contributing at the selection of the thematic for the Technical Assistance Missions offered to Moldovan Higher Education Institutions, and are contributing at their organisation.

Higher Education Reform Experts team in Moldova

Coordinated by National Erasmus+ Office in Moldova

2018

About the HEREs

Higher Education Reform Experts (HERE) have been tasked to contribute to higher education reforms in their specific countries neighboring the EU, including the Republic of Moldova, yet at the same time serve as an important diplomatic tool and policy dialogue channels for the European Union. HERE also play and can further play a very concrete role in the further implementation of the Bologna Process in Bologna signatory countries.

Higher Education Reform Expert's **mission** consists of:

- policy development, by supporting the modernization process and higher education reform strategies in close cooperation with local authorities
- political dialogue with EU in higher education
- Erasmus+ projects (especially those implemented within Action 2 - Capacity building), by disseminating the results and products, particularly of the best practices and innovating initiatives and by exploiting them for training
- training and counseling activities that target interested local stakeholders, especially Higher Education Institutions (HEIs) and their staff.
